I understand that driving on the campus of Grace Christian School is a privilege, and I agree to the following guidelines:

Parking regulations include, but are not limited to:

- 5 MPH speed limit on campus and in the immediate surrounding area.
- No parking without a Grace Parking permit.
- No back-in parking, or backing up at any time in the parking lot.
- Permits are \$5.00 each, and may be used while the family who originally purchased the permit has a student at Grace Christian. Permits are not transferable between families.
